Description

Original Art Deco burr walnut sideboard with a beautiful pattern within the veneers & of high quality. It's in excellent condition, very stylish & a good solid practicable piece of furniture. It's also small & compact, with plenty of storage in the cupboards & deep graduated drawers. I would say this is early Art Deco dating from around the 1920-30's period. See the interesting veneer inlays on the base of the drawers & cupboards. The sides are figured walnut, there are some intricate carvings along the top front edge & it sits on solid walnut octagonal tapered legs.
