Description

A useful pine storage cupboard dating from the late 19th / early 20th Century. It has a shelved interior and comes with its original working key. The doors are panelled and it sits on a simple plinth base and has mellowed to an attractive colour over the years. It is in good condition. It has been cleaned and given a smooth waxed finish, retaining its lovely aged patina. The shelves inside are generally clean and tidy. There are some signs of age and use, some old splits in the sides and some general small knocks and marks but nothing detrimental and it is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask.
