Description

A very fine example of these rather rare Stationmasters desk clocks in lovely original condition. It has just been serviced by our BHI registered staff and comes with our usual 12mths parts and labour guarantee. The clock carries the serial no. 3990 on the case, backplate, and the movement. It is signed "KAY & CO. PARIS". Kay & Co made clocks for Great Western Railways. A white enamelled dial with black Roman numerals, beautiful cut hands, and bevelled glass. An absolute little gem. All cards accepted.
