Description

Size: 4ft 1in x 3ft 5in (125 x 103cm). Antique Caucasian Dagestan village prayer rug with floral lattice on an yellow ground. 2nd half 19th century A superb example of this well known group of prayer rugs, this rug has excellent colour and is drawn with a rustic charm seldom found. The yellow/gold field is framed by the abrashed indigo blue border. The way the border design has been drawn has a very naïve charm to it. Note how the mihrab is floating.... it is not connected to the border at the sides. The rug has even wear with medium/low pile. The rug has a number of old repairs and re-weaves as one would expect for a rug of this age. A good collectors rug that would make a superb wall hanging. Hand washed and ready for use or display. Stock Number: AOR-033.
