Description

For your consideration is this very charming and totally authentic early 1930's Art Deco Flapper girl hat pin holder. Part of the half doll, pin cushion doll family this beautiful figure is an absolute delight and quite a rarity. Wonderful colouring to her soft pink slip on dress with her matching cloche hat and black bob hair cut peeping through, to her delicately painted facial features and rosy cheeks. She stands on a rock with open holes to house flowers picked of the morning. In her hand is a hole to take an umbrella, these are easily sourced and I can provide one if you would like it, please see through the pictures provided as to what we have available. She's in great condition and free from any damage to include restoration old or new, cracks, hairlines, chips etc. Originally these figures were given out at local fun fairs, seaside resorts as souvenirs and general gifts. Still today though the better examples such as this one aren't easy to source and so we were delighted to have found this one. Free delivery within the UK.
