Description

This is a wonderful example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. Everything about this watch is original, the dial has not been restored or retouched in any way. It has diamonds to the 12,3,6 and 9 and the floating diamond indicates the hour. The lightening bolt baton markers also makes it really stand out. The calibre 23Z manual winding movement has just been professionally serviced and a new glass has been fitted. The case has been professionally polished so is pristine. There is also an email for the Longines Archives which gives information about the watch. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a brand new quality black leather strap and its original presentation box. Longines are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34mm in diameter not including the crown. Overall this watch is in outstanding original condition and probably the best of this model we have ever come across and highly sought after by Longines collectors. The watch has...
