Description

Stylish pair of original Swedish Art Deco armchairs with satin birch arms & feet, re-upholstered in a cream fabric with hand coiled springs in the seats. These armchairs date from the 1930's period & are in very good condition. We have tried to keep the fabric colour neutral, but if you require a different fabric on them we can have them recovered for £170 a chair. Even though these armchairs are small in size the seats are still quite wide. They would also look great in contemporary or traditional room settings.
