Description

Super quality pair of c19th French walnut carved side chairs with fantastic carving to the backs and scrolling legs. Very decorative pair of chairs, but certainly very much a useable pair of chairs too, whether as a pair of hall chairs, or additional seating for dining or perhaps to use as desk chairs. Good solid frames and the seats have been newly upholstered in a vintage linen, so they are in great condition and comfortable...also they are a standard height. Priced as the pair together. Measuring: 106cm high x 55cm wide x 46cm deep. Seat height 51cm. Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
