Description

Early Victorian small size bank of chemists drawers in original condition. Bank of 16 drawers in total, all the drawers are dovetailed together both front and back and all have their original glass knobs. Some of the original labels are present but not all. The carcass is all dovetailed together also with half round mouldings to the front edges. The carcass is all pine. The drawer fronts are simulated walnut. The carcass does require a couple of repairs to the front edges at the right hand side as can be seen in the pictures. Nice colour and patination. SIZE; 25 1/2" wide by 9" deep by 20" high CIRCA; 1840 - 1850
