Description

This is a wonderful example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. It has a calibre 19.4s manual winding movement. The original dial is in superb original condition. It has its original Longines winding crown. A new bracelet has been fitted but we can fit a leather strap if you prefer. It will fit a wrist size of up to 7.5 inches. It has just been professionally serviced and a new glass has been fitted. The solid stainless steel case has been professionally polished so is pristine. As you would expect the watch is fully marked on the dial, movement and case. It also comes with an extract from the Longines archives. Longines are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 33mm in diameter not including the crown. Overall this watch is in outstanding condition and probably the best of this model we have ever come across and highly sought after by Omega collectors. The watch has been fully serviced. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to it...
