Description

Rare, Victorian, double Cloak pins. A chain decorated with small ball interlinks are attached to the two cloak pins at either end. Tests for 18ct gold and does bear a French Hallmark of an insect (however, this is very difficult to decipher as it is tiny) and is visible on both of the actual pins. A lovely item, would be useful with a very fine fabric. Condition: In great antique collector's condition. Measurements: Each pin length: 4 cm approx. Length of chain: 10 cm approx. Weight: 2.03 grams approx.
