Description

Antique oak pot board dresser base This pot board dresser base was made circa 1840. This type of dresser is well suited for many places around your home. A kitchen or dining setting is an obvious position for them to be placed but drawing rooms hallways and landing are also great situations for them to be used. The dresser/sideboard is fitted 3 drawers along the top and with a further drawer each side of the arched centre. It has the 4 turned front legs that join to the pot board base with the pair of full-length boards that make the open shelf under. A dresser of this type has the advantage that whilst of good size as it is open below it looks lighter in its look. Imagine how great this will look in situ in your home, not only will it look good but also it gives great storage space. 160cms long 63ins 46cms deep 18ins 83cms high 32 1/2ins high All dimensions are approximate We can arrange delivery nationwide or we can obtain a quote for it to be shipped overseas This item carries the Hingstons Antiques product guarantee plate.
