Description

Good set of three very nice 19th century beech and ash kitchen chairs. These chairs I think are probably English and are all beech with ash seats. They are a very pleasing elegant design with thin turned front legs, nice shape backs and curved saddle seats. The chairs are all original with no repairs and are all a lovely colour with original patination. One has a few old worm holes but nothing serious. SIZE; 17" across, 15" deep and 34" high CIRCA; 1850 - 1870
