Description

Very good quality pair of French Directoire style bedside or side tables, circa 1900 and in lovely condition. These are a good size, larger than the usual, so they give you more surface area on the Cararra marble. They are both finished with brass inlay and pierced brass galleries to the tops. Also, brass caps to the bottom of the fluted legs. Three drawers to each and panelled sides. Great decorative pair of tables, good for bedside tables, but perhaps also lamp tables elsewhere. Measuring: 27 1/4" or 69.5cm high (top of brass gallery) 17" or 43cm wide 12" or 30cm deep Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
