Description

1925 Omega pocket watch and chain. The watch has a stem-winding movement, 40.6L T1, which is working nicely. The movement is fully signed with the Omega name and the serial number 6,618,950 dates it back to around 1925. The movement is protected by an inner hinged cover. The watch measures 49mm diameter excluding the winding crown and the loop. The case is nickel and it is in lovely condition. The inside of the case back has the early Omega stamp. The watch glass is in good condition. The signed dial is in very nice condition. The watch comes with a double albert, with each chain measuring 22cm long including the T-bar and the clasp. The watch and chain will be sent in a new presentation box.
