Description

Antique goliath silver pocket watch albert and fob. The long chain measures 37cm long including the T-bar and the clasp. The T-bar is hallmarked for 1902 with a maker's mark for the Birmingham silversmith Herbert Bushell. One of the links has the same HB mark and all of the links has the lion passant silver mark. The clasp is probably a later replacement but still has some age to it. There is also a shorter chain upon which hangs a large silver fob, hallmarked for Birmingham 1908, originally presented by Lodge 614 which suggests it is a Masonic item. The total weight of the chain and fob is 133g. Free UK and worldwide postage
