Description

Dating to the 1930's this very attractive and rare Art Deco trinket box is made by FASOLD & STAUCH more commonly known for making half dolls and is a German company. Rare and in excellent condition, I couldn't find any flaws to note, she's free from any damage. Depicts a flapper girl sat on a travelling trunk with her companion which is a King Charles spaniel dog. The attention to detail is just wonderful, so skillfully painted, from her slightly blushed cheeks to her tiny fingers, everything about this piece screams quality and at every angle she looks amazing.
