Description

Country Homes Antiques Scotland est 1985 A fine set of Ten sherry Glasses etched with game birds. Each glass is acid etched with a different game bird, including ducks, snipe, woodcock, quail, pheasant, partridge, grouse, etc. Very good quality. Early 20th century. One has a tiniest of nibbles to the rim. Otherwise all perfect. UPDATE. Two of these have been removed and the price reduced accordingly due to a very rare catastrophic accident. The first glass breakage in 40 years of trading. You might think that lucky but to have destroyed two of these very fine glasses and not the one that has a rim nibble could hardly be more disturbing. Gutted. THIS IS NOW A SET OF EIGHT not TEN Reduced from £320 to £220.
