Width = 15 cm (5.9")

Depth = 15 cm (5.9")

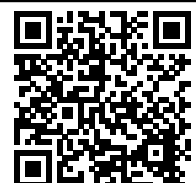

Description

This highly decorative piece is made from cast bronze which has a dark patina and Verdigris finish. It is cast with fine detail with figures and mythical beasts amongst a foliate design. It is made in two separate pieces with a separate lid decorated with figures and dragons. The finial is in the form of a bird. This piece is designed for hanging and is mounted with three bronze chains which are gathered onto a ring.
