Description

For your consideration is the wonderfully styled Art Deco British made clock dating to the 1930's. This portrait mantle clock features an all chrome case, which is in excellent condition and free from tarnishing and pitting with green and black phenolic bakelite accents either side. The dial is in an off white /cream colour with styled Deco numerals. There is some foxing to the dial, nothing unsightly and can only be seen on very close inspection. There is also 1 cm scratch to the glass at 7 o'clock, again can't be seen unless you look very closely. As with all our clocks we've had this clock fully serviced and so comes to you in good working condition. Ideal size for mantle, desk, or side table.
