Description

Gents Omega Geneve wrist watch, 1969. The watch has a calibre 613 hand-winding movement which is working nicely. The movement is fully signed with the Omega name and the serial number 28,383,083 dates it back to 1969. The watch measures 34mm diameter excluding the winding crown and the lugs. The case is gold plated and it is in good condition. The stainless steel case back is signed inside with the Omega triangular stamp and the case reference 132.019 which is correct for the calibre 613 movement. The winding crown is a later plain replacement. The lens is in good condition. The signed dial is in super original condition with original hands, centre seconds and a quickset date display. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free UK and worldwide postage
