Description

Antique Swiss silver pocket watch 1911. The watch has a nice quality stem-winding movement which is working well. The movement is stamped 15 jewels, Swiss made. The movement is protected by an inner cover. The watch measures 50.6 mm diameter excluding the stem and the loop. The case is silver and has Birmingham hallmarks for 1911 with the case makers mark for the Dennison Watch Case Company. The case has light surface marking from use and a couple of small "dings" but overall is in nice condition for a 1911 piece. The acrylic lens is in nice condition. The white dial is in nice condition. The watch has its original gold steel hands and a blued steel sub seconds hand. The watch will come in a new presentation box. Price includes worldwide postage
