Description

Large antique Queen Anne style walnut dining table in good condition, having just been French polished. This table has a fixed top in figured walnut with a lovely pattern & has carved top edge. The solid walnut legs are well carved at the tops. I'm sure this table was made by H & L Epstein in the 1930's who were a well know London manufacturer. We also have a really nice set of eight walnut dining chairs that would go perfectly with this table. This table could take eight to ten chairs around it. Width – 84 inches, 214 cm Depth – 36 inches, 92 cm Height – 30 inches, 76 cm Knee height – 26 inches, 66 cm
