Description

Antique William Ehrhardt silver pocket watch, Radstock. The watch has a key-wound movement which is working nicely. The movement is signed F Lane, Radstock, and it is all protected by a fitted inner cover. Frank Lane would have been the original retailer of the watch. An antique winding key is included but from a different jeweller. The watch measures 50mm diameter excluding the stem and the loop. The case is silver and there are hallmarks inside the case backs for Birmingham 1902 with a maker's mark for the Birmingham and Hatton Garden watch maker William Ehrhardt. The case is in lovely condition and the engine turned detail on the back of the watch is still nice and crisp. The watch glass is in lovely condition. The dial is signed with the jeweller's name F S Lane, Radstock. The dial is in very nice condition. The minute hand is very slightly out of shape but not too noticeable at all. The watch will be sent in a new presentation box. Free UK and worldwide postage
