Description

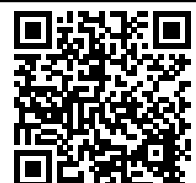

A most impressive and large mid-19th century circular DINING TABLE in fine original condition. This spectacular table is veneered in finest figured rosewood and will seat EIGHT with comfort and ten at a pinch. It is supported on a solid rosewood central column, with a carved 'collar' leading to the wide triform base with beautifully carved "Lion's Paw" feet and original concealed castors. The quality of the figuring to the top (which measures 5ft diameter) is truly superb. ***Highly Recommended.
