Description

Pair of silver Viennese 19th century two-light candelabra; the candlesticks are of circular based design with detachable branches. Each piece (candlesticks and branches) is beautifully decorated, as would be expected from this fine celebrated Austro-Hungarian silversmith who worked from 1864 to 1890. The cartouches to the base decoration are vacant, and these practical sized candelabra are a real joy. Austro-Hungarian. Vienna. c.1875. Vinzez Czokally.
