Description

A fine example of a matching set of four solid Sterling Silver trumpet vases. They are stylish and good quality with a flared rim and slender tapering body. They are each clearly hallmarked for James Deakin & Sons, Sheffield, 1903. They are in good condition for their age. There are no major damages and they display beautifully. There are some faint surface marks and minor dings commensurate with age but nothing detrimental. The vases should have a weighted base but only one has this still remaining (see photo). They have been cleaned and polished and are ready for use. The vases without the weighted base weigh between 35-40g and the weighted one weighs 64g. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Nationwide delivery £6. Approximate Measurements : Height : 5" (13cm) Base Diameter : 1 3/4" (4.5cm) Top Diameter : 2" (5cm)
