Description

A very elegant and original 1930's Art Deco figurine of a lady in cold painted Spelter. She stands on an alabaster base which is in good order and free from any damage. There are no breaks or repairs just some minor losses to the cold painted finish. She has no makers marks but she is well modelled and detailed. She's a great size too and will fit in perfectly within any period or modern setting. She's wearing fashion of the day (1930's) in shorts with a wrap around shawl and with a matching bra top and healed shoes. There is no physical damage to note, just normal signs of age as one would expect from a period piece.
