Description

This is an antique log bin, a brass fireside storage box for kindling, logs, coal or ash. An English, Victorian fireplace accessory dating to the late 19th century, circa 1880. A pleasing, mid-size fireside storage bin in brass. Of classical form, sarcophagus in shape, standing upon claw and ball feet. Decorated with classical motif and adornment throughout. The hinged lid with central platform and well cast finial. Each corner decorated with a lion mask above column corner plates. Pressed rosette back-plates with loop handles to the ends. Hinged lid lifts to reveal voluminous storage. Removable tin liner with folding handles. Suitable for coal, kindling or helpful when removing ash. An attractive and useful piece to be welcomed into any fireside location. Delivered ready for the home.
