Description

Antique Swedish Kingwood display cabinet of exceptional quality & in the manner of Louis XVI, neoclassical in style. This cabinet is mainly Kingwood & Rosewood, with inlaid panels & some intricate marquetry. It has gilt bronze mounts, handles & feet. There are some great features too, like the drawer at the top & the pull down bottom flap revealing six slim drawers & more marquetry. There are two glass shelves inside the display section & it's lined on the back with fabric. This display cabinet is in excellent condition & I would date it to around the 1930's period.
