Description

An antique pine dresser with a glazed top cabinet, with two shelves, over a panelled dresser base with two doors and drawers, and a single shelf inside the cupboard. The doors are hung on external hinges, allowing them to open fully. Dating from around c.1910, it is in excellent condition for its age. It has recently been stripped, exposing a very clean and tidy bare wood, ready for waxing or painting. The top sits on attractive columns, along with a back support. It separates from the base for delivery. It is a nice size dresser, narrower than an average size - it would fit nicely into a smaller kitchen / dining room.
