Description

This pair of antique leather armchairs have a slight Art Deco influence & the leather is all original. The leather surface is quite distressed, but without tears or holes. They have a great character worn in look & certainly not for someone who likes their antiques looking new. These armchairs are very stylish & have good back supports. I think they could be French or Swedish & they date from the 1930's period. Width – 26 inches, 66 cm Depth – 30 inches, 76 cm Height – 32 inches, 82 cm Seat height – 17 inches, 43 cm
