## Description

This hugely stylish hospitality cocktail cabinet, a fantastic piece of Art Deco furniture and its internal features prove to be an incredibly appealing feature. The beautifully presented burr walnut top has a superb pattern of grain. The fall is every bit as well finished and stands out brilliantly, while fitted with a working lock with key. When the fall is pulled down it also activates the top which raises into an upright position, and the two are connected to one another by chrome brackets. When open it reveals an all mirror interior with fretted out base for positioning different sized glasses. The cupboard doors continue to exhibit burr walnut graining, while another pair of typically Art Deco handles are fitted, as is a working lock with key. The condition is very good having been through our workshops and restored.
