Description

Antique Cortebert pocket watch and albert. The watch has a Swiss seven jewel stem-winding movement which is working nicely. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and it is in good condition with just light surface marks from use and a gentle indentation to the back. The watch glass is in good condition. The white dial is in lovely condition and has original blued steel hands, a subsidiary seconds dial and an outer minute track. The watch comes with a single chain, 21cm long including the T-bar and the clasp. The watch and chain will be sent in a new presentation box. Free UK and worldwide postage
