Description

This is a fine quality, original, and well made brass student's/desk lamp with an adjustable arm, recently rewired to UK specifications using dark flex cable and fitted with an online switch. We have shown it with different - original glass shades that we have had in stock and may still available, otherwise we have boxes of old glass lampshades - some of which are shown on our website lancasterantiques.co.uk. and others not yet photographed. The lamp measures 53cm in height and approximately 25cm across (without a shade). The heavy and original weighted base is 15cm in diameter, and the lamp has been lightly polished but not lacquered. Postage and packing within the UK mainland only is included in the price and for outside areas or abroad, please contact us for a delivery quote.
