Description

Gents large Cauny Prima wrist watch, 1950s. The watch has a Swiss hand-winding movement, 15 jewels, which is working nicely. The movement is signed with the name Cauny Prima, a brand name registered by Mireille Grebler Cauny Watch Co in 1953. The watch is a very good size at 37.5mm diameter excluding the winding crown and the lugs. The case is rose gold plated and it is in very nice condition, as is the lens. The signed textured dial is in its original finish with original hands, a subsidiary seconds dial and outer minute markers. There is some discolouration towards the edge of the dial but not so obvious in real life. A new leather strap has been fitted. The watch will be sent in a new presentation box.
