Description

Gents boxed wrist watch from Garrard. The watch has a good quality ETA 25-jewel automatic movement which is working nicely. The watch measures 36mm wide excluding the winding crown and 34.5mm high excluding the lugs. The case is gold plated and overall is in good condition, just some light surface marks. The screw-on case back has a 'long service' inscription from BL Cars. There are some scratches to the back, probably from someone trying to open the back. The lens is in lovely condition. The signed dial is in super original finish with original hands, centre seconds and a day / date display (quickset date changed at first position). A new leather strap has been fitted. The watch comes in a Garrard presentation box with its outer card box. Free UK and worldwide postage
