Description

Small antique Victorian solid mahogany two door cupboard in good original condition, dating from the 1880's period. This is a very compact piece with three shelves inside behind two panelled doors & sitting on a plinth base. It has quite small proportions & is quite slim from back to front. I think this item was made to use as a locker or some kind of storage cabinet. It could be quite useful as a hall or porch item. Width – 25 inches, 64 cm Depth – 13 inches, 34 cm Height – 48 inches, 122 cm
