Description

A good impressive size, larger than most, this Victorian match striker is made from threaded glass with it's textured surface where the (non-safety) matches would have been struck. These are always a popular addition to any interior (they look great in groups) whether traditional or modern. The top is English sterling silver hallmarked (slightly rubbed) for Birmingham 1887. Excellent condition measuring 3 1/2" in diameter x 3 1/2" tall. (Matches cannot be shipped). Item ID: 40793 FREE Worldwide Registered Airmail Directly From London, England
