Description

A highly decorative octagonal rolled gold pocket watch. A silvered dial with Arabic numerals and gilt dot minute markers. Greek key decoration circling the dial and blued steel moon hands. A 6 jewel Swiss made mechanism by Langendorf, who were reputed to be the largest producers of watches at one time. The brand later became Lanco. A rolled gold case stamped 'Monitor' which was a trademark of the Illinois Watch Company. The back of this watch has pin striped decoration and a vacant cartouche surrounded by floral designs. Circa 1930. Case Width 44 mm. From Kembery Antique Clocks Ltd. you can expect a genuine pocket watch that is in full working order and sold with 12 months guarantee. Free tracked, insured and signed for delivery on a day of your choice. International deliveries please contact us for a quote. If you have any questions regarding our watches please call us or email us and we will be happy to help you.
