Description

Wonderfully stylish and so indicative of this bygone era is this Art Deco 1930's double bed. Veneered in bird's-eye maple with walnut feather banding to accentuate the cabinets with an over-all odeon or cloud shape. The blonde colouring would easily integrate this bed with both modern and Deco themed interiors. So easy to put together too, just slide your existing base and mattress between the two cabinets and voila you have the perfect Art Deco bed setting. Completely and professionally restored this bed comes to you in great condition. This bed comprises a headboard and two side cabinets and comes in three parts, the central cloud shape headboard is screwed to the back panels of the side tables. It's very simple and easy to put together and looks very classy in situ.
