Depth = 8 cm (3.1")

Description

A twist on the traditional dial clock . This timepiece was made by Zenith and features a superb quality swiss ,18 day movement with a center winding position and very domed solid Oak dial. It's worth noting that this one is in absolutely excellent condition and has a good colour. This example in Oak and roughly 12" size has the addition of a smaller 24hr dial with the 12 hr chapter ring. Heals retailed this clock from the 1930's to 1960's and has become quite collectable in recent years . With gilt brass numerals and hands

Internal Ref: Oak Zenith 24hr
