This is a golden opportunity to treat yourself to an outstanding and totally original 1930's Art Deco double bed. These style of beds that scream the Art Deco style are very few and far between and anyone who loves this era or collects from it will know this too. The exotic veneers which include Palisander and Macassar ebony add to the wow factor. We photographed the bed in natural daytime light so you can get a true idea of it's colouring. We've had the whole bed fully and professionally restored. International shipping available, for UK customers a slatted base is provided.
