Description

A lovely art deco style desk lamp dating from the early 20th Century. It is a stylish piece with a heavy brass base, simple square column and adjustable brass shade. The lamp has been re-wired and PAT Tested and is in good working order. It has been fitted with an in-line switch and takes a standard bayonet bulb (bulb not included with lamp). It is in good condition for its age. The brass has tarnished over time and there are signs of age and use and some minor dinks and surface marks here and there but overall it displays very well. It has been lightly cleaned and is ready for use. The base of the lamp measures approximately 5" (13cm) square. The shade is 10" (27cm) wide and the lamp stands 11 1/2" (29cm) tall. The best description comes from the photos so please look at them all carefully and if you have any questions please ask.
