Description

A lovely antique mahogany writing slope with inset campaign style handles, ornate brass corner pieces, brass strapping and matching brass escutcheon. The interior of the box is fitted with a good quality writing surface and it comes with both of its original glass inkwells and removable pen tray. To the side of the box is a large pull out drawer, released by removing a brass pin from within the box. The box also comes with its original working key. The writing slope is excellent quality and is in good condition for its age with a beautiful patina. The brass work has been lightly polished and it displays very well inside and out. There are a few small splits, some minor knocks and light surface marks around the box but nothing detrimental. The writing surface is in good condition with some light wear along the crease. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Nationwide delivery £15.
