Description

At Silversalvo we pride ourselves on finding rings which are slightly different from the ordinary and this is certainly no normal half eternity ring. Set with Amethysts and Diamonds it gives a superb combination, the incandescent purple of the Amethyst set against the sparkle of the diamonds creates a beautiful uniqueness that is stunning to look at. This ring is set in yellow Gold and as a piece would be perfect as a dress ring, for anybody wearing other purple jewellery it would be a perfect match. Also it would also make a lovely statement piece. The ring size is K and it weighs 4.3g. This is a gorgeous ring and would adorn woman's collection.
