Description

Edwardian mahogany nest of 4 tables. This Edwardian mahogany nest of 4 tables were made circa 1910. Nests of tables are very versatile and brilliant for the home as they provide 4 surfaces to use when you are entertaining but then stack together when not in use, and so use little space when not being used. They are also not heavy or bulky and so are easily moved around your home. Apart from their practicality they are also elegant items of furniture that enhance the feel of your drawing room or lounge. Each table has the rectangular solid mahogany top with the raised ebony bead to help stop items sliding off. Each table stands on a pair of ring turned supports to each side joined by a curved rear stretcher. Largest table: 49cms wide 19 1/2ins 34cms deep 13 1/2ins 70cms high 27 1/2ins. All sizes are approximate, whilst we take time measuring, we can only give closest possible sizes. We can arrange delivery nationwide or we can obtain a quote for it to be shipped overseas.
