Description

Good 18th century George III serpentine shape mahogany card table. Serpentine shaped front and sides with square moulded legs with astragal moulded decoration to the frieze. The tops with typical 18th century moulded edges with a boxwood line inlay to the top one. The inside with tooled green baize which is a nice touch. The table has double gates to the back so both legs swing round when the top is open. Apart from some old historic worm damage to the gates which has been well treated again the table is in very good condition. Nice colour with waxed finish. SIZE; 33" wide by 18" deep by 29" high CIRCA; 1770 - 1780
