Description

These 2 lovely Bow front Chest of Drawers are an extremely near pair, they came from a house and the old lady had always thought they were a pair and had owned them for donkeys years ! There are very subtle differences the handle plates and one chest has 3 lines running down the canted corners and the other 2 lines. They are made from Walnut with excellent tight Burr Walnut veneer, the tops and drawers are cross banded. All the drawers run smoothly and fitted with original handles. They each have a brushing slide of the drawers which pulls out. They sit on Bracket feet. In excellent condition for the home having been re finished to a very high standard.
