Description

A beautiful Victorian mahogany chest of drawers dating from the late 19th Century. Excellent quality and very well made with a lovely rich patina and nice proportions. The drawers run well and it is a clean sturdy set with turned knobs and turned feet. The drawers are pine lined and generally clean and tidy with a few small stain and marks. There are the usual signs of minor wear and a few marks and an old split down one side but nothing detrimental and they display very well. The best description comes from the photos so please look at them all carefully and if you have any questions please ask.
